

Approved For Release 2003/06/18 : CIA-RDP80B01676R002700080033-1

Mr. Dulles:

Dick Helms advised me that Ambassador Jones does not know whether the President talked to Sukarno about the Pope case. Apparently it did not come up during any of the official meetings. However, it may have been discussed during a walk they "took in the garden." Dick plans to call Ted Clifton to see if he knows anything about this matter.
